Customisable BRITA bottles

Make your BRITA bottle your very own.

Imagine. A high-quality bottle on a meeting or restaurant table, bearing your company name or logo. What better way to enhance your image or raise awareness of a particular message?

Our glass designer bottles come in a variety of sizes and styles. So, you'll be sure of finding the right option for your organisation's needs and culture. And reusable bottles are a super way to communicate your commitment to the

environment. Eliminating single-use plastic bottles reduces carbon emissions and makes a statement. Now, more than ever, that's something your employees, guests and clients will recognise and appreciate.

Of course, giving up pre-bottled drinks doesn't mean giving up refreshment! Our dispensers simply and efficiently chill water on demand.
